

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Greg Zaleski v Ragan Montemayor**
Docket No. **285617**
L. Ct. No. **08-109379-PH**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion to modify a personal protection order to allow service of documents for appeal via U.S. mail is DENIED because MCR 3.709(A) and MCR 7.204(C)(3) already give appellant the authority and the duty to mail a copy of the claim of appeal to appellee without intervention of this Court.

Within 21 days of the certification of this order, appellant shall provide this Court with a proof of service stating that she mailed a copy of the claim of appeal to appellee. Failure to provide the proof of service within the time allotted will result in the dismissal of this appeal for failing to pursue it in accordance with the court rules. MCR 7.201(B)(3) and MCR 7.216(A)(10).
